HEALTH CARE REFORM

Mr. THUNE. Madam President, last week a letter was sent to majority leader HARRY REID and minority leader NANCY PELOSI of the House of Representatives, and I wish to read a few quotes from that letter. It says:

When you and the President sought our support for the Affordable Care Act, you

pledged that if we liked the health plans we have now, we could keep them. Sadly, that promise is under threat. Right now, unless you—

Directed at the majority leader and the minority leader in the House—

and the Obama Administration enact an equitable fix, the ACA—

Or the Affordable Care Act, which some people refer to as "ObamaCare"—will shatter not only our hard-earned health benefits, but destroy the foundation of the 40 hour work week that is the backbone of the American middle class.

The letter goes on to say:

Since the Affordable Care Act was enacted, we have been bringing our deep concerns to the Administration, seeking reasonable regulatory interpretations to the statute that would help prevent the destruction of non-profit health plans. As you both know firsthand, our persuasive arguments have been disregarded and met with a stone wall by the White House and by the pertinent agencies.

This is a letter that was, as I said, sent last week to the leaders in the House and in the Senate. I wish to quote a few more passages from that letter.

We have a problem; you need to fix it. The unintended consequences of the Affordable Care Act are severe. Perverse incentives are already creating nightmare scenarios.

First, the law creates an incentive for employers to keep employees' work hours below 30 hours a week. Numerous employers have begun to cut workers' hours to avoid this obligation, and many of them are doing so openly. The impact is twofold: fewer hours means less pay while also losing our current health benefits.

The summary of the letter at the end says:

On behalf of the millions of working men and women we represent and the families they support, we can no longer stand silent in the face of elements of the Affordable Care Act that will destroy the very health and wellbeing of our members along with millions of other hardworking Americans.

So when we look at this letter and the tone of the letter and some of the statements made in the letter, we see that it talks about destroying the health benefits of employees. It talks about nightmare scenarios being created by perverse incentives in the Affordable Care Act. As I said before, it says the Affordable Care Act will shatter not only our hard-earned health benefits but destroy the foundation of the 40-hour workweek that is the backbone of the American middle class.

If my colleagues are wondering who sent the letter—one might think it came from the National Federation of Independent Business or perhaps the National Association of Manufacturers, the chamber of commerce, or some business group that obviously has major concerns and issues with the implementation of ObamaCare. But that letter came from Mr. James Hoffa, who is the general president of the International Brotherhood of Teamsters; it was cosigned by Joseph Hansen, the international president of the UFCW, and by D. Taylor, the president of UNITE-HERE—three major union organizations that are very concerned
